# All About travel and traveling, for travelers.

A magazine is a periodical publication, which can either be printed or published electronically. It is issued regularly, usually every week or every month, and it contains a variety of content.

To create your own, choose a topic that interests you. It can be anything from fashion and beauty to travel and the news. Once you have your overall theme, you can start brainstorming the content. Just starting? Design a memorable masthead with an equally memorable name.

This goes on the cover and sets up the branding for your entire magazine. What style are you going for? Is it playful? Classic? Bold? A good masthead captures the essence of your magazine, so it needs to be flexible, meaningful.
